RESOLUTION OPPOSING PASSAGE OF ASSEMBLY BILL NO. 2416 WHICH WOULD REMOVE FROM THE GOLDEN GATE BRIDGE, HIGHWAY & TRANSPORTATION DISTRICT THE DIRECTORS REPRESENTING DEL NORTE AND MENDOCINO COUNTIES AND INCREASE THE NUMBER OF DIRECTORS REPRESENTING MARIN COUNTY FROM THREE TO FIVE.

WHEREAS, Under existing law, the Board of Directors of the Golden Gate Bridge, Highway & Transportation District is composed of one director representing Del Norte County, one director representing Mendocino County, three directors representing Marin County, one director representing Napa County and nine directors representing the City and County of San Francisco; and

WHEREAS, Assembly Bill 2416, if passed, would remove the directors representing Del Norte and Mendocino Counties and increase the number of directors representing Marin County from three to five; and

WHEREAS, Assembly Bill 2416, if passed would eliminate necessary and beneficial representation on the Bridge District Board of Directors from two northern counties who have contributed substantially to not only the construction of the bridge but its successful operation over the years; and

WHEREAS, Assembly Bill 2416 would cause the unnecessary reconstitution of the Bridge District's Board of Directors to reflect a preponderance of representation from those southern most counties and reflecting no representation from the northern counties who have been and are major contributors and users of this facility; now, therefore, be it

RESOLVED, That the Board of Supervisors of the City and County of San Francisco does hereby oppose the passage of Assembly Bill 2416 by the State Legislature; and, be it

APPROVING IN PRINCIPLE THE MEANS OF PROVIDING REFUSE DISPOSAL FOR THE CITY AND COUNTY OF SAN FRANCISCO BY CONTINUING TO HAUL SAID MATERIAL TO THE CITY OF MOUNTAIN VIEW; AUTHORIZING PREPARATION OF AGREEMENT IN CONNECTION THEREWITH BASED ON CERTAIN FINANCIAL TERMS AND CONCEPTS; AND AUTHORIZING EXECUTION OF AGREEMENT.

WHEREAS, The five-year term of the present Waste Disposal Agreement with the City of Mountain View, Sanitary Fill Company, and the Mountain View Shoreline Regional Park Community will terminate on or about November 1, 1975; and

WHEREAS, The Director of Public Works, in his letter dated July 18, 1975, and accompanying documents to this Board, has indicated:

(a) that the City of Mountain View has exacted stringent and costly demands upon San Francisco for the privilege of continuing disposal at Mountain View beyond the present term; and

(b) that the appropriate City representatives and officials of the Sanitary Fill Company and refuse companies have conducted extensive and exhaustive studies of finding a workable alternative to continuing at Mountain View; and

(c) that all possibilities investigated have been discounted because of cost, physical restrictions and/or expected environmental and political problems; and

URGING THE GOVERNOR TO APPOINT A STATE-WIDE TAX REFORM COMMISSION

WHEREAS, The traditional process of financing the costs of local government through ad valorem property taxes needs thorough revision and may even be obsolete; and,

WHEREAS, Skyrocketing assessments on privately owned property in San Francisco and other cities in California, accompanied by increases in the tax rate set by local jurisdictions, have created a financial crisis for homeowners and other small property owners; and,

WHEREAS, Ad valorem property taxes in San Francisco finance 41 percent of the total cost of government in the City and County; and,

WHEREAS, The costs of local government are becoming too heavy a burden to carry, by property owners who, in effect, are being penalized by their efforts to own and care for their own property; now, therefore, be it

RESOLVED, That the San Francisco Board of Supervisors does hereby urge the Governor of the State of California to appoint a state-wide tax reform commission, consisting of nine members, and including members in government finance and taxation, of taxpayers groups, tenants, and residential and income private property owners; and, be it

FURTHER RESOLVED, That the Board of Supervisors urges the Governor to instruct the commission to study revision or elimination of the property tax and to investigate alternatives to this mode of taxation of local government; and be it

FURTHER RESOLVED, That the Board of Supervisors recommends that such study and investigation should include, but not to be limited to the following alternatives and suggestions:

1. Give cities the authority to abolish the property tax in favor of enacting progressive, graduated taxes, such as an income tax on all persons who work in a particular city;

2. Permit property owners to accrue, as a lien, a portion of the tax levies on their properties until such time as they sell their properties;

3. Urge the State Legislature and Congress to enact legislation to permit renters to deduct from their state and federal income taxes increases in their rents which are due solely to increased property taxes;

4. Consider imposition of payroll and gross receipts taxes on certain types of businesses and organizations which are currently exempt, specifically, banks, insurance companies, non-profit charitable corporations, a portion of the liquor industry and all federal, state, and local government employees;

5. Initiate legislation to require banks, which collect property taxes as a part of monthly homeowner mortgage payments, to remit these funds immediately to the local government, instead of investing them and earning interest for the banks; and, be it

FURTHER RESOLVED, That the Board of Supervisors urges the Governor to require the commission to make a full report of its conclusions within nine months of the date of its first meeting; and, be it

FURTHER RESOLVED, That copies of this resolution be forwarded to his Honor, the Mayor, for transmission by him to the Honorable Edmund G. Brown, Jr., Governor of California, with the request that he take all necessary steps to effectuate its intent.

WHEREAS, The Board of Supervisors has passed as part of the administrative provisions of the 1974-1975 and 1975-1976 Salary Standardization Ordinance a statement that a dental plan shall be provided to permanent employees whose compensations are subject to the provisions of sections 8.400 and 8.401 of the charter, subject to the condition that the city's contribution to said plan shall be limited to an amount not to exceed $7.00 per month, per employee, and the total yearly contribution shall not exceed $500,000; and

FILE NO. 338-75-1 RESOLUTION NO. 670-75

ISSUING A POLICY STATEMENT ENCOURAGING THE USE OF REGIONAL PUBLIC TRANSIT AS THE PRIMARY MEANS TO PROVIDE ACCESS TO SAN FRANCISCO FROM THE BAY AREA AND THEREBY AID IN THE GROWTH AND EXPANSION OF JOBS AND ECONOMIC WELL-BEING FOR THE CITY AND THE BAY AREA.

WHEREAS, Access to downtown San Francisco is particularly important to the Bay Area, the State of California and the entire West because of its role as a major commercial and employment center; and

WHEREAS, The continued growth and expansion of jobs, vital to the economic well-being of San Francisco and the entire Bay Area depends on effective home-to-work transportation; and

WHEREAS, The provision of transportation access to employment for San Francisco residents has long been the recognized responsibility of the City but access to employment in San Francisco from surrounding communities is properly the responsibility not only of San Francisco but also of the region as a whole and of the individual counties which contribute to the transportation need; and

WHEREAS, The requirements for transportation must be met in such a way as to minimize adverse impact on the residents of San Francisco, maintain the residential integrity of neighborhoods and reduce "through" automobile traffic, congestion and pollution in residential neighborhoods as well as in the downtown, and these requirements have led to the adoption by this Board of Supervisors of resolution 189-73, supporting a transit first policy for the City; and

WHEREAS, Regional transit systems offer a means for regional access to San Francisco from surrounding communities with potentially the least disruptive effect on the quality of life in the City and with the greatest cost efficiency and energy efficiency; and

WHEREAS, In recognition of these transportation requirements, it is the policy of the San Francisco Master Plan that regional public transit be developed and given priority as the primary means of transportation to and from downtown, particularly for commuters, and that the existing vehicular capacity of the bridges and highways entering the City not be expanded and be reduced where possible; and

BOARD OF SUPERVISORS

WHEREAS, Regional transit vehicles on the main regional access routes approaching San Francisco from any direction should avoid travel on San Francisco residential and major downtown streets, wherever possible; and

WHEREAS, The determination of means to satisfy the transportation requirements for home-to-work trips so as to protect San Francisco residential neighborhoods is a proper concern for joint resolution between local and regional entities involved; and

WHEREAS, The citizens of San Francisco have made major commitments and formidable contributions to local and regional public transit, and it is important that regional entities assure that the costs of regional transportation be shared in a logical and equitable manner by all members of the Bay Area community; and

WHEREAS, It is recognized that geography and history may provide San Francisco with limited choices and resources concerning regional access, so that more ideal solutions may not prove realizable immediately for financial or other reasons; and

WHEREAS, It is thus recognized that interim regional access transportation solutions may be adopted and that these interim solutions should be of a nature to best utilize existing resources such as by the provision of preferential transit treatment on the bridges and highways leading into the City; now therefore, be it

RESOLVED, That the Board of Supervisors of the City and County of San Francisco does hereby provide that it shall be the policy of the City and County of San Francisco to encourage the use of public transit for its own residents, for non-residents and for visitors and to support the kind and quality of public transit most attractive to the greatest number of people and thereby reduce the need for automobile travel in residential neighborhoods and in the downtown.

WHEREAS, The Public Utilities Commission of the City and County of San Francisco on August 12, 1975 adopted Resolution No. 75-0332 revising its existing schedule of rates, fares and charges as relate to acceptance of transfers on shopper shuttle lines; and

WHEREAS, Said Public Utilities Commission has reported to the Board that the revenues from rates, fares and charges of the Municipal Railway, as revised could be affected only slightly for the current 1975-76 Fiscal Year; now, therefore be it

RESOLVED, That this Board of Supervisors, prior to voting upon the approval or disapproval of the proposed revision to the existing schedule of rates, fares and charges of the Municipal Railway as relates to acceptance of transfers on shopper shuttle lines, and set forth in Resolution No. 75-0332 of the Public Utilities Commission, hereby finds:

ENUMERATING PRINCIPLES THAT SHOULD BE INCORPORATED INTO THE FEDERAL-AID HIGHWAY ACT OF 1975

WHEREAS, The City and County of San Francisco is vitally concerned with the provision of public services at the least possible cost and in the most effective manner; and

WHEREAS, Certain principles will, if adhered to by higher levels of government, promote the goals of economy and efficiency through the elimination of unnecessary "red tape" and cumbersome administrative regulations; and

WHEREAS, The Federal-Aid Highway Act of 1975 is pending in the United States Senate and House of Representatives; now, therefore, be it

RESOLVED, That the Board of Supervisors of the City and County of San Francisco do hereby strongly urge the incorporation of the following principles into the Federal-Aid Highway Act of 1975:

1. That more programmatic decision-making authority be given to local jurisdications, particularly in cases where a decision solely affects the local jurisdiction and has no bearing on any other jurisdiction;

2. That cities and counties be allowed to establish their priorities and programs to meet their individual and unique local transportation needs;

3. That the Federal government establish block grants for transportation purposes, to be made directly to urban, urbanized, and rural areas for allocation to local projects, and to regional mechanisms developed through a cooperative process by the affected local general purpose governments within each area, for allocation to projects of regional significance;

4. That Federal and State governments develop broad-brush procedural guidelines and general post audit compliance procedures under which Federal and State funds could be utilized, with fewer administrative regulations;

5. That there be Federal certification and acceptance of State, City and/or County standards and requirements for purposes of meeting all facets of Federal requirements, including environmental reviews, minimum wage requirements and equal employment opportunity requirements where such State and local laws and procedures are equal to or greater than Federal requirements; and be it

FURTHER RESOLVED, That copies of this resolution be forwarded to His Honor the Mayor for transmittal to United States Senators Alan Cranston and John Tunney, the members of the California Congressional Delegation, San Francisco's Federal legislative representative, the League of California Cities, the County Supervisors Association of California, and any other appropriate parties with the request that they take all steps necessary to effectuate the intent of this resolution.

URGING STATE LEGISLATURE TO INITIATE LEGISLATION REQUIRING LENDING INSTITUTIONS TO REMIT TO THE CITY AND COUNTY OF SAN FRANCISCO MONTHLY ALL PROPERTY TAX PAYMENTS COLLECTED FROM HOMEOWNERS AS PART OF THEIR MONTHLY LOAN PAYMENTS, AND URGING THE TREASURER OF THE CITY AND COUNTY OF SAN FRANCISCO TO WITHDRAW CITY MONEY FROM ANY FINANCIAL INSTITUTION WHICH IS UNWILLING VOLUNTARILY, IN THE INTERIM, TO REMIT SUCH PROPERTY TAX PAYMENTS TO THE TREASURER

WHEREAS, Section 2954 of the Civil Code of the State of California, which was adopted by the State of California in 1973, prohibits lending institutions from requiring homeowners to pay a portion of their property taxes in their monthly mortgage payments as a condition of receiving a loan; and

WHEREAS, Section 2954 of the Civil Code was a positive step in abolishing a practice in which lending institutions profited by investing property taxes collected monthly from homeowners when the taxes were due and payable to the City and County of San Francisco only twice a year; and

WHEREAS, AB 484 will provide another safeguard to homeowners by requiring lending institutions to pay three percent (3%) interest on what are described as "impound accounts;" and

WHEREAS, Section 2954 of the Civil Code of the State of California was not retroactive and applied only to home loans made after its passage; and

WHEREAS, There are an estimated 30,000 outstanding home loans in San Francisco in which lending institutions are still collecting property taxes on a monthly basis; and

WHEREAS, The City and County of San Francisco suffers a loss of revenue it could be receiving if lending institutions were required to remit to the City Tax Collector on a monthly basis property taxes they still collect from homeowners as part of their monthly mortgage payments, or did so, voluntarily, until any necessary state legislation is enacted; now, therefore, be it

RESOLVED, That the San Francisco Board of Supervisors does hereby urge the State Legislature to initiate any necessary legislation to require lending institutions to remit to the City andCounty of San Francisco on a monthly basis all property tax payments collected from homeowners as part of their monthly loan payments; and, be it

FURTHER RESOLVED, that the San Francisco Board of Supervisors does further urge the Treasurer of the City and County of San Francisco to establish a policy of non-investment of taxpayer monies in any financial institution in which such monies would otherwise be deposited by him, which is not willing voluntarily to remit to the City and County of San Francisco promptly as received, all property tax payments collected from homeowners as part of their monthly loan payments, and to withdraw taxpayers' monies, now on deposit, from all such financial institutions which are unwilling so to remit such property tax payments; and be it

FURTHER RESOLVED, That copies of this resolution be forwarded to his Honor, the Mayor with the request that he transmit it to the San Francisco delegation in the State Legislature with the request that they take immediate steps to effectuate its intent, and to the Treasurer of the City and County of San Francisco with the request that he take immediate steps to effectuate its intent.

URGING BAY AREA RAPID TRANSIT DIRECTORS TO EXTEND FULL SERVICE TO 10:00 P.M. AND PROVIDE SATURDAY SERVICE DURING CHRISTMAS HOLIDAY SEASON.

WHEREAS, The number of persons who rode the San Francisco Bay Area Rapid Transit District (BART) from Alameda and Contra Costa Counties and from Daly City to downtown San Francisco increased considerably during the 1974 holiday season; and

WHEREAS, The convenience and easy travel of BART for Bay Area residents provides an incentive for them to shop in downtown San Francisco; and

WHEREAS, Attracting more shoppers from the surrounding Bay Area to downtown San Francisco is a decided benefit to the merchants of downtown San Francisco and is essential for them to maintain a competitive position with outlying shopping centers; and

WHEREAS, San Francisco merchants suffered losses of revenue for years during BART construction in anticipation of future additional business when BART service began in downtown San Francisco; and

WHEREAS, Providing night service and Saturday service on BART during the Christmas holiday season is a tremendous incentive to Bay Area residents to shop in downtown San Francisco; and

WHEREAS, Shuttle bus service provided by BART to East Bay communities such as Livermore, Dublin, San Ramon, Danville, Alamo, Pittsburg, Antioch, Martinez and Pinole to BART stations costs approximately $2,000,000 per year, and has achieved revenues of only $250,000 per year; and

WHEREAS, night and Saturday service on BART during the Christmas holiday season between Daly City and downtown San Francisco would result in a higher proportional amount of revenue in comparison to cost than such shuttle bus service; now, therefore, be it

RESOLVED, That the San Francisco Board of Supervisors does hereby urge the BART Board of Directors to provide full service on BART on Saturdays, November 29, December 6, December 13, and December 20, and to extend the regular daily service until 10:00 P.M.; and, be it

URGING THE STATE BOARD OF EQUALIZATION TO INDEPENDENTLY APPRAISE A SAMPLE OF DOWNTOWN COMMERCIAL PROPERTIES WHOSE FULL VALUE HAS EITHER NOT INCREASED OR HAS DECLINED IN THE PAST YEAR.

WHEREAS, Residential property tax assessments in San Francisco have increased this past year in some cases up to over 100% or an average increase of 35% causing undue hardship on San Francisco's property taxpayers; and

WHEREAS, It has been brought to the attention of the Board of Supervisors that while residential property increases as stated above have risen dramatically, assessments of downtown commercial properties in many instances, have been reduced, remained constant, or increased insignificantly during the last 5 years or for an average increase last year of only 11%; and

WHEREAS, Information has been supplied by COMO and Citizens Action League indicating that other governmental agencies which have independently assessed at least 13 San Francisco commercial properties have done so at a higher rate than the City Assessor; and

WHEREAS, It is felt that commercial property taxpayers share with the residential taxpayer the burden of inflation as well as the costs of the services they receive; now, therefore, be it

RESOLVED, That this Board of Supervisors does hereby urge the State Board of Equalization to independently appraise a sample of downtown commercial properties whose full cash value has either not increased or has declined in the past year, and that sample should also include the 13 properties listed in File 375-75-4 and by reference made a part hereof; and be it

RESOLUTION URGING THE STATE DEPARTMENT OF HEALTH AND WELFARE TO SEEK EXEMPTION FOR COUNTY HOSPITALS FROM THE LIMITATIONS ON REIMBURSEMENT PRESENTLY PROVIDED IN THE AGREEMENT BETWEEN THE STATE OF CALIFORNIA AND HEW FOR THE COST OF SERVICES TO MEDI-CAL RECIPIENTS.

WHEREAS, the State of California has entered into an Agreement with HEW which limits the reimbursement for hospital services provided to Medi-Cal recipients to ten per cent (10%) above last year's amounts, and

WHEREAS, county hospitals are required by law to operate at or below cost and costs are increasing at an average of seventeen per cent (17%) per year, and if not fully reimbursed for said costs by HEW for Medi-Cal recipients, the counties' taxpayers will be forced to absorb the difference between the actual costs and the federal reimbursement, and

URGING SAN FRANCISCO BAY AREA RAPID TRANSIT DISTRICT TO ADOPT AS ITS PRIORITY, EXTENSION OF BART TO THE SAN FRANCISCO INTERNATIONAL AIRPORT AND URGING SAN FRANCISCO DIRECTORS TO INITIATE SUCH ACTION.

WHEREAS, The Board of Directors of the Bay Area Rapid Transit District (BARTD) has under consideration a proposal to extend the BARTD system to the Oakland Airport prior to any extension to the San Francisco International Airport; and

WHEREAS, Both the staff of BARTD and the staff of the Metropolitan Transportation Commission have expressed opposition to an extension of BARTD to the Oakland Airport; and

WHEREAS, The present and continuing expansion of the San Francisco International Airport facilities is planned to accommodate 31,000,000 passengers per year by 1983, and will cost at least $459,000,000; and

WHEREAS, Such expansion of facilities and increased annual amount of passengers and other traffic at San Francisco International Airport has been planned and is based upon extending BART to San Francisco International Airport in time to accommodate such increase of traffic; and

WHEREAS, Such expansion of facilities and increased amount of such traffic San Francisco International Airport will receive necessitates the implementation of mass transit to the San Francisco International Airport by the time the expansion is physically completed; and

WHEREAS, In a report to State Senator John Nejedly of Contra Costa County, the State Legislative Analyst, A. Alan Post, after reviewing the source of funds, the cost of any proposed Oakland Airport BART extension and whether or not the funds could be used for other alternative extensions, has concluded that consideration of a BART extension to Oakland International Airport seems premature; and

WHEREAS, The Lawrence-Berkeley Laboratory, University of California and the State Public Utilities Commission have been asked to establish whether or not the BARTD central computer is adequate to provide management for such a proposed extension and also whether the computer capacity will be able to handle other extensions; and

WHEREAS, In order to accommodate the Oakland extension, BARTD would have to reduce service on the Richmond Line by 50 percent, from ten to five trains; and

WHEREAS, Extension of BARTD to the San Francisco International Airport has always had a higher priority than the Oakland Airport extension; and

WHEREAS, The State Legislature has appropriated $350,000 for a study of extending BARTD from San Francisco to Santa Clara County, which would include an extension to the San Francisco Airport; now, therefore, be it

RESOLVED, That the San Francisco Board of Supervisors does urge and recommend that the Bay Area Rapid Transit District Board of Directors adopt as its first priority, new construction to extend BART to the San Francisco International Airport and to take all positive steps to achieve this extension, and does further urge and recommend to those directors from San Francisco that they initiate such action; and, be it

FURTHER RESOLVED, That the Board of Supervisors does further urge strongly that the San Francisco International Airport BART Extension Board of Control to convene forthwith to take all action necessary to commence such construction; and, be it

MEMORIALIZING THE STATE LEGISLATURE TO INCREASE AMOUNT OF MEDI-CAL REIMBURSEMENT TO SAN FRANCISCO NURSING HOMES TO CORRECT PRESENT INEQUITIES.

WHEREAS, The amount of present reimbursement for Medi-Cal patients in San Francisco ranges from $19.54 to $20.14 per person, and

WHEREAS, The cost of maintaining each Medi-Cal patient is approximately $25.26 per day, and

WHEREAS, The deficit per patient is presently being absorbed by increased costs to private patients or by the nursing homes affected, or through limited or decreased level of care, and

WHEREAS, The financial difficulties of these nursing homes have caused a situation that results in the placement of over 2,000 Medi-Cal patients out of San Francisco County, and continued threat that San Francisco nursing homes will refuse all Medi-Cal patients as was attempted in June of 1975 and only prevented by a lawsuit, and

WHEREAS, Sending Medi-Cal patients out of the City is fair to neither the patients or family, and

WHEREAS, Costs for maintaining Medi-Cal patients are higher in San Francisco than in other areas of the State but reimbursement is at the same rate as in those areas where costs are considerably lower, now therefore, be it

FILE NO. 12-75-131 RESOLUTION NO. 780-75

URGING THE STATE LEGISLATURE TO ENACT LEGISLATION TO PROVIDE RELIEF FOR RESIDENTIAL PROPERTY TAXPAYERS, SPECIFICALLY INCLUDING PROVISION FOR CLASSIFICATION OF ASSESSMENT RATIOS ON RESIDENTIAL PROPERTY AT LOWER RATES, WITH HIGHER RATES ASSIGNED TO INDUSTRIAL AND COMMERCIAL PROPERTY.

WHEREAS, This Board of Supervisors for and on behalf of the City and County of San Francisco during the calendar years of 1967, 1968, 1969, 1970, 1971, 1972 and 1973 has adopted innumerable separate resolutions calling for enactment and approval of State legislation to provide tax relief for real property taxpayers in the State of California; and

WHEREAS, The property tax is a regressive tax which does not take into consideration ability to pay and thus places an unfair burden on the homeowner and renter; and

WHEREAS, Property tax bills that have been received by San Francisco taxpayers within the last few days are evidence that immediate and strong reforms are necessary to bring meaningful tax relief to the people; and

WHEREAS, Though the tax rate this year was cut by $1.25, homeowners and renters have been hard hit by a dramatic increase in assessed valuation; and

WHEREAS, Imposition of a lower assessment ratio for residential property than for income-producing property would represent meaningful tax reform and would distribute the tax burden in a more appropriate and equitable way; and

WHEREAS, This relief can best be provided through action by the California State Legislature in proposing a State Constitutional Amendment to this end; now, therefore, be it

RESOLVED, That the City and County of San Francisco does hereby repeat and urgently emphasize its plea for immediate and effective action by the State Legislature to afford relief to residential real property taxpayers by, immediately upon reconvening on January 6, 1976, voting to place on the ballot a State Constitutional Amendment to permit lower assessment ratios on real property which is of a residential nature as distinguished from property devoted to industri or commercial purposes; and be it

FURTHER RESOLVED, That copies of this resolution be forwarded to His Honor, the Mayor, for transmittal to the State Legislative Representative and presentation by the latter to Governor Brown, the Speaker Pro Tem of the California Senate, the Speaker of the California Assembly, members of the San Francisco delegation, and the San Francisco County Central Committees of the Republican and Democratic Parties.

URGING THE CONGRESS AND PRESIDENT OF THE UNITED STATES TO CONDEMN VIGOROUSLY THE RESOLUTION ADOPTED BY THE GENERAL ASSEMBLY OF THE UNITED NATIONS DECLARING THAT ZIONISM IS A RACIST DOCTRINE.

WHEREAS, this Board of Supervisors on October 27, 1974 did adopt a resolution (No. 781-75) urging the Congress and the President to instruct the United States delegation to the General Assembly to oppose the action of the Social Humanitarian and Cultural Committee condemning Zionism; and

WHEREAS, the General Assembly of the United Nations has adopted a resolution declaring Zionism to be a "form of racism and racial discrimination;" and

WHEREAS, Zionism is in fact a bona fide and respected movement for self-determination of the Jewish people, supported by thousands of San Franciscans and Americans throughout the country; and

WHEREAS, Zionism does not differ from the national ethnic movements of other peoples such as Africans or Arabs; and

WHEREAS, this attack on Zionism by the General Assembly is a thinly veiled attack on the sovereignty of a member nation, prompted by petty politics and contrary to the established purposes of the United Nations; and

WHEREAS, left unchallenged, this assault may encourage anti-Semitism, intensify man's inhumanity to man, and hamper the United Nations' stated goal of attaining world peace; therefore, be it

RESOLVED, that the Board of Supervisors of the City and County of San Francisco does hereby urge the Congress and the President of the United States to condemn vigorously by resolution, executive order or otherwise, as petty and unwarranted the action of the General Assembly characterizing Zionism as racism; and, be it

FURTHER RESOLVED, that the United States of America withdraw its financial and other support of any agency of the United Nations which includes such characterization or definition of Zionism in either its policy or actions; and be it

FURTHER RESOLVED, that copies of this resolution be forwarded to the Congress, to the United States delegation to the General Assembly, to the President, to each individual member of the Congress representing citizens of the State of California, and to all other parties who may be instrumental in effectuating its intent.

RESOLUTION NO. 844-75

URGING APPROVAL OF WEST PORTAL STATION PROJECT PLAN REVISIONS BY BART

WHEREAS, The Board of Supervisors on March 24, 1975, submitted to the Board of Directors of the Bay Area Rapid Transit District an amendment to the joint exercise of powers agreement, which included agreement on the funding of the West Portal Station, and related matters; and

WHEREAS, The BART Board of Directors, for reasons unknown to the City, failed to act to implement this March 24 agreement and failed to advise this Board of its intentions for more than seven months; and

WHEREAS, Belatedly on October 16, 1975, BART returned a revised amendment to the City, introducing new and entirely extraneous matters not related to the reallocation of funds for the West Portal Station; and

WHEREAS, A key provision of the BART revised amendment requires that the City agree to give up the Municipal Railway's use of the Market Street Subway on a five-year notice by the BART Board of Directors; and

WHEREAS, In effect BART is insisting that this City be ready to abandon its $32.5 million investment in rolling stock for the new underground subway system at the virtual whim of the BART Directors; and

WHEREAS, These facilities are being developed separately and exclusively for the convenience of San Francisco Municipal Railway patrons, and it is inconceivable that the present or future needs of BART would require these facilities; and

WHEREAS, The attitude of BART in relation to this matter can only be construed as deliberately obstructionist and effort to hold hostage the critically important West Portal development; and

WHEREAS, Delays in this project are costing the tax payers more than $2,000 per day in inflationary construction costs; now, therefore be it

RESOLVED, That it is the official policy of the City and County of San Francisco and this Board of Supervisors that the BART Board of Directors should act immediately to approve the second amendment to the joint exercise of powers agreement, removing any demand that the Municipal Railway agree to give up its rights to the Market Street Subway in the future, and further, that this policy statement of the City be communicated to the three San Francisco representatives on the BART Board of Directors for their earliest implementation; and be it

FURTHER RESOLVED, That on execution of the agreement, BART proceed with all deliberate speed to award the contract for construction of the West Portal Station; and, be it

FURTHER RESOLVED, That copies of this resolution be transmitted to S.F. BART Directors and all other members of the BART Board of Directors.

RESOLUTION URGING ASSEMBLYMAN BOB WILSON AND THE ASSEMBLY COMMITTEE ON GOVERNMENTAL ORGANIZATION TO TAKE INTO CONSIDERATION THE ECONOMIC IMPACT OF AB1667 AND MEMORIALIZING THE COMMITTEE TO REFRAIN FROM SETTING PERCENTAGE REQUIREMENTS FOR THE LOCAL BROADCASTING OF PROFESSIONAL FOOTBALL GAMES.

WHEREAS, The Assembly Committee on Governmental Organization is considering AB1667, a bill which would, in effect, require the Los Angeles Rams football team to permit local telecasts of their nationally televised home games when approximately 75%, rather than 100%, of the available tickets have been sold out prior to kick-off; and

WHEREAS, The Committee is engaged in an interim study of this issue on a statewide basis, specifically on the appropriateness of legislation to prohibit cities and counties from leasing a publicly owned stadium to a professional football team unless the team agrees to local broadcast of substantially sold-out games; and

WHEREAS, Lowering ticket sale requirements for local broadcast would undoubtedly lead to decreased ticket sales, having a direct impact on the financial health of cities and counties owning stadiums, particularly in delaying pay-off of bonds for the stadium; and

WHEREAS, Indirect effects of decreased ticket sales include diminished profits for food, concessions, parking lease holders and other related peripheral services; and

WHEREAS, This Board of Supervisors is keenly aware of the financial pressures on municipally-owned stadiums in that San Francisco is experiencing difficulty with regard to certain obligations on Candlestick Park; and

WHEREAS, The chief beneficiaries of local broadcast of less-than sold out games are not the taxpayers who own the stadium, but residents of neighboring counties; and

BOARD OF SUPERVISORS

RESOLVED, That Assemblyman Bob Wilson and the Assembly Committee on Governmental Organization are urged to take into consideration the economic impact of AB1667 as outlined herein, and be it

FURTHER RESOLVED, That the Assembly Committee be memorialized to refrain from setting percentage requirements for the local broadcast of professional football games; and be it

SUPPORTING THE POLICY THAT THE PARAPET ORDINANCE BE ENFORCED, ENCOURAGING THE UTILIZATION OF ALL AVENUES TO SECURE THE RETENTION OF DECORATIVE BUILDING FEATURES AND RECOMMENDING STATE LEGISLATIVE ACTION TO PLACE A CONSTITUTIONAL AMENDMENT ON THE JUNE BALLOT UNDER WHICH LOCAL GOVERNMENTS MAY OFFER TAX INCENTIVES TO RETAIN DECORATIVE BUILDING FEATURES.

WHEREAS, San Francisco has many building of great historical and architectural importance; and

WHEREAS, Many of these buildings have overhangs, parapets, cornices and other decorative items; and

WHEREAS, These embellishments represent in themselves a valuable resource to San Francisco's architectural heritage and contribute to the beauty of the cityscape and to the enjoyment of its residents; and

WHEREAS, Many of these parapets, overhangs and other decorative items do not meet modern safety code requirements and the cost of reinforcing or renovating them to meet code requirements is between two and ten times more than simple removal; and

WHEREAS, Enforcement of the parapet ordinance under existing circumstances will thus result in the removal of most overhangs and ornaments and the denuding of many building exteriors; and

WHEREAS, Actions which give incentives to owners and managers to retain embellishments will permit many more owners to retain parapets and ornamental features; now, therefore, be it

RESOLVED, That this Board of Supervisors does hereby support a policy that where building codes require safety corrections involving decorative building ornaments, it is in the public interest to retain these decorative items by restoration; and, be it

BOARD OF SUPERVISORS

FILE NO. RESOLUTION NO.

FURTHER RESOLVED, That the Bureau of Building Inspection adopt this Board of Supervisors policy of favoring retention over removal;' and, be it

FURTHER RESOLVED, That the Planning Department disseminate its pamphlet designed to encourage building owners to retain decorative items by bringing them up to safety code requirements, and consult with building owners to insure a greater measure of restoration of building ornamentation; and, be it

FURTHER RESOLVED, That this Board of Supervisors does hereby urge the State Legislature to place on the June ballot a Constitutional Amendment which would allow the use of tax incentives to encourage retention of building ornaments by obtaining the vote of 90% of the city councils in any one county; and, be it

FURTHER RESOLVED, That upon passage of this Constitutional Amendment, this Board of Supervisors would enact an ordinance which makes possible a property tax deduction in the amount of the cost of retention of decorative building ornaments where building codes require safety corrections, when there is a finding that retention is in the public interest; and, be it

FURTHER RESOLVED, That this ordinance should enable owners electing to effect restoration to recoup their costs by deductions from their local property taxes over a five-year period but not to authorize property tax deductions for simple removal; and, be it

FURTHER RESOLVED, That copies of this resolution be forwarded to the San Francisco State Legislative delegation, to the San Francisco Department of City Planning, and to the San Francisco Bureau of Building Inspection, urging all necessary action to further the purposes of this resolution.

FILE NO 346-75

RESOLUTION NO 891-75

URGING STATE OF CALIFORNIA TO ESTABLISH DIFFERENTIAL RATES FOR NURSING HOME CARE, TO COMPENSATE FOR REGIONAL COSTS.

WHEREAS, There are insufficient numbers of nursing home beds in San Francisco to meet the needs of San Francisco residents, and therefore, it is necessary to place many persons needing these facilities in other counties; and

WHEREAS, For the past fifteen years that government money has paid for nursing home care, local facilities have been financially disadvantaged because the State Department of Health has established one rate statewide for Medi-Cal patients, and does not recognize regional differences in cost of living, value of land and buildings, and cost of labor; and

WHEREAS, Revised licensing regulations issued by Department of Health will result in increased staffing needs and therefore increased cost to the nursing home operators; and

WHEREAS, On June 4, twelve San Francisco nursing homes serving 462 patients whose care is paid through Medi-Cal announced that they would no longer accept Medi-Cal admissions and would start to move out their present Medi-Cal patients by July 1, 1975, because their present costs are not met by the Medi-Cal rate; and

WHEREAS, Since June 4, no San Francisco resident who is a Medi-Cal patient has been able to be placed locally; and

WHEREAS, Fifty such admissions are processed by staff of the Department of Social Services each month; therefore be it

RESOLVED That the City and County of San Francisco make a commitment to the principle that the San Francisco population which must be admitted to nursing homes be able to remain in San Francisco where they can be consistently visited by family and friends; and be it further

RESOLVED That the Board of Supervisors of the City and County of San Francisco does hereby recommend and request that the State Director of Health establish by regulation differential rates for nursing home care, recognizing regional cost; and be it further

RESOLVED That, if there be no action on the part of the State of California to establish said rates, the City and County of San Francisco consider filing legal suit for differential payment for San Francisco; and be it further

RESOLVED That copies of this resolution be sent to his Honor, the Mayor, for transmittal to the Governor of the State of California, the Secretary of the State Health and Welfare Agency, the Director of the State Department of Health, and to the State Legislative Advocate for presentation by the latter to San Francisco's delegation in the State Legislature.
